The page number "110" is visible in the top left corner. The score is in a key signature of one flat (B-flat) and a common time signature (C). The tempo or mood is indicated by "rall." (rallentando) in the top right corner. The score is for a full orchestra, including woodwinds, brass, and percussion. The instruments are arranged in a standard orchestral layout, with the woodwinds in the front, brass in the middle, and percussion in the back. The overall appearance is that of a professional musical score, with a focus on clarity and readability. The watermark "ENTRADA" is a common term in music, often used to denote the beginning of a piece or a section. In this context, it likely refers to the first movement or section of the symphony. The page number "110" suggests that this is a later page in the score, possibly towards the end of a movement. The key signature and time signature are standard for many symphonic works, providing a familiar framework for the music. The dynamic markings and other performance instructions are essential for the conductor and musicians to interpret the score correctly. The overall layout is well-organized, with each instrument's part clearly separated and easy to follow. The watermark, while large, does not completely obscure the musical notation, allowing the reader to see the details of the score. The image is a high-quality scan of a printed musical score, with clear lines and legible text. The watermark is a digital addition, likely for copyright or branding purposes.
